About Sukuna

- Established in 2029 B.S.
- First SLC batch in 2039 B.S.
- Child friendly learning environment
- Software based recording system
- Board second in 2076 B.S. (NEB Class-XII)
- ICT education award winner in 2024 A.D.
- Best school award in 2024 A.D. (PAN)
- District level, presidential trophy (2 times)
- Biggest school in Koshi province
- Highly dedicated teaching professionals
- Additional class and clinical supervision
- Good governance and modern management system
- CCTV surveillance
- School improvement plan and annual plan with budgetary system
- Smart attendance system with SMS
- School bus facilities
- Use of AI platform in class room learning
- Autism classes (Separate Block)
- Complete ECED model pre-primary classes

Other Features

- A Government funded community school
- Highly committed and experienced teachers
- Sound environment for learning
- Academic excellence
- E-Library
- Sports and extra-curricular activities
- Access of internet facilities
- Complete continuous assessment system (Grade 0-5)
- Soft skill based teaching
- Regular musical classes
- Yoga and meditation
- Provision of academic research cell
- A proposed model school
- Periodic entrance preparation for B.E., MBBS, B.Sc. Nursing, B.Sc. Ag, etc.
- Free additional digital literacy classes
- Emphasis on Ed. Tech. strategies and AI tools
- Nursing facilities for students
- Science Promotion Programme (Funded by Government of Nepal)
- League based co-curriculars activities (Quiz, Debate, Chess, Spelling contest, Drawing, Singing, Dancing)

Head Teacher

Dear Students, Parents, and Well-Wishers,

It gives me immense pleasure to present this prospectus of Sukuna Secondary School, an institution that stands as a beacon of quality education, discipline, and innovation in Nepal. Since its establishment in 2029 B.S., our school has grown remarkably, both in size and in reputation, and today we are proud to serve more than 4700 students, making it one of the largest and most dynamic educational institutions in Koshi Province.

At Sukuna Secondary School, we are guided by our vision: *“School of Excellence with Quality Education.”* This vision is not merely a statement but a commitment that shapes our daily practices, academic programs, and future aspirations. We strive to create a learning environment that nurtures intellectual curiosity, creativity, and critical thinking while fostering strong moral values and social responsibility among our students.

Education in the 21st century demands more than textbook knowledge. Therefore, we emphasize a balanced approach that integrates Curriculum based academic excellence with practical skills, technological competence, and character development. Our school has been recognized as a leading government institution in the field of Information Technology, and we continuously work to integrate modern digital tools and innovative teaching methodologies into our classrooms. This prepares our students to meet global challenges with confidence and competence.

Our dedicated team of qualified and experienced teachers is the backbone of our success. They are committed not only to delivering quality education but also mentoring and guiding students in their personal growth. We believe that every child is unique, and we aim to provide opportunities for each student to discover and develop their individual talents and potential.

Sukuna Secondary School also takes pride in launching from ECED to Class 10 and Science program, Civil Engineering, Management with Computer Science and Hotel management, Education and Law Subject groups where hundreds of students are pursuing studies in Grades 11 and 12. Our focus on science and technology education reflects our commitment to producing future leaders, innovators, and professionals who can contribute to national development and global progress.

Beyond academics, we encourage students to participate in extracurricular and co-curricular activities, including sports, cultural programs, social service, and leadership initiatives. These activities play a vital role in shaping well-rounded individuals who are not only academically competent but also socially aware and emotionally resilient.

We also recognize the importance of collaboration between the school, parents, and the community. Education is a shared responsibility, and we value the continuous support and trust of parents and stakeholders who have been instrumental in our journey of success. Together, we aim to create a nurturing and inclusive environment where every student feels valued, safe, and inspired.

As we move forward, our commitment remains firm to uphold the highest standards of education while embracing innovation and change. We aspire to further strengthen our position as a center of excellence, not only in Nepal but also in the global educational landscape.

I warmly invite students and parents to become part of the Sukuna family and experience an enriching educational journey that prepares young minds for a bright and successful future.

Thank you.

Hikmat Bahadur Basnet

Head Teacher,

Sukuna Secondary School

Sundarharaicha-10, Morang, Nepal

अध्यक्षको कलमबाट.....

सुकुना माध्यमिक विद्यालयले आफ्नो पाँच दशक लामो इतिहासको विभिन्न कालखण्डहरूमा शैक्षिक उन्नयनका लागि थुप्रै आरोह-अवरोहहरू पार गरिसकेको छ । यस अवसरमा विद्यालयको स्थापनाकालदेखि हालसम्म विभिन्न क्षेत्रबाट महत्वपूर्ण योगदान पुऱ्याउनुहुने आदरणीय अग्रज व्यक्तित्वहरू प्रति हार्दिक सम्मान व्यक्त गर्दछु । यस क्षेत्रका थुप्रै शिक्षाप्रेमी अभिभावकहरू, पूर्व शिक्षक तथा विद्यार्थीहरू र समाजसेवीहरूले विद्यालयको समग्र उन्नतिका निम्ति विगतदेखि वर्तमानसम्म नै जुन भूमिका निर्वाह गरिरहनुभएको छ, जसले गर्दा आज यो विद्यालय यस अवस्थामा आइपुगेको छ । यसले आगामी दिनहरूमा समेत अझ बढी शैक्षिक उपलब्धि हासिल गर्न सहयोग पुऱ्याउनेछ भन्ने विश्वास पनि लिएको छु ।

आज कोशी प्रदेशले मात्र होइन, सिङ्गो राष्ट्रले चिनेको र पत्याएको विद्यालय हो सुकुना माध्यमिक विद्यालय । वर्तमान अवस्थामा सुकुना माध्यमिक विद्यालयले आफूलाई मात्र नभई आसपासका सबै विद्यालयहरूलाई समेत सँगै साथ लिएर अघि बढ्नुपर्छ भन्ने मान्यता राख्दछ । त्यसैले पूर्वमा आज नयाँ अवधारणासहित यो विद्यालय अगाडि बढिरहेको छ । सुकुना माध्यमिक विद्यालयले 'शैक्षिक स्मान्तरणका लागि बृहत् विद्यालय विकास' को अवधारणा समेत अगाडि सारेको छ । शैक्षिक गुणस्तरसहितको राम्रो सुकुना नै आजको हाम्रो सुकुना हो । सुकुना मा. वि. भनेको नेपाल सरकारको 'विज्ञान शिक्षा प्रवर्द्धन कार्यक्रम' सञ्चालन भइरहेको देशकै उत्कृष्ट विद्यालय पनि हो । यहाँ कोसी प्रदेशका १३७ ओटै स्थानीय तहबाट कम्तीमा एक-एक जना विद्यार्थी जो विज्ञान विषय समूहमा अध्ययन गर्न उत्कृष्ट जिपिएका आधारमा सम्बन्धित पालिकाबाट छात्रवृत्तिको सिफारिससहित यहाँ भर्नाका लागि आउन सक्छन् । युगको मागअनुसार नै आज हामी यस विद्यालयमा बालबालिकाहरूको सिकाइलाई डिजिटलाइज गरिरहेका छौं, नवीन प्रविधिसँगै सिकाइ सहजीकरणमा लागिरहेका छौं । यसका लागि आम अभिभावक वर्ग, विद्यालय व्यवस्थापन समिति, शिक्षक अभिभावक सङ्घ विद्यालय प्रशासन र शिक्षक तथा कर्मचारीवर्ग सबैले उत्तिकै जिम्मेवारीका साथ अघि बढ्नु पर्छ, म सबैलाई हार्दिक अनुरोध पनि गर्दछु ।

अन्तमा, विगत वर्षहरूमा भन्दा अझ प्रभावकारी रूपमा गुणस्तरीय शिक्षाको विकासका लागि आदरणीय जग्गादाता, चन्दादाता, स्थानीय बुद्धिजीवी, सल्लाहकारज्यूहरू, शिक्षाप्रेमी महानुभावहरू, अभिभावकवर्ग, शिक्षक तथा कर्मचारीवर्ग सबैसँग सहयोगको अपेक्षा राख्दछु ।

मातृकाप्रसाद ढकाल
अध्यक्ष,
विद्यालय व्यवस्थापन समिति

From the Desk of

ASST. HEAD TEACHER

SUKUNA SECONDARY SCHOOL is a symbol of progressive and quality education. Our motto "Quality Education Through ICT based Teaching", captures the essence of our spirit. In our school, children will gain all-round education and achieve their potential not just in academic field but also in sports, culture, talent Shows, and creative arts.

Our school is scaling new heights with excellent and dedicated SMC, PTA and professionals who train our children in a range of Co-curricular, Extra curricular activities and sports like football, cricket, volleyball, kabaddi, quiz, chess, dance, song, music, yoga, athletics and many more indoor and outdoor games. We have already scaled our heights in academic and sports. We stood board Second in Grade 12 Exam result, 2076. Two students namely Sandesh Giri and Bishal Bimali topped the board in Grade 11 Exam result in the same year.

More proudly, Sandesh scored 4.00 GPA in Board Exam of Grade 12 and became board topper. We have grabbed the district First trophies two times in Presidential Running Shield. We have stood first in ICT Education award 2024 and are awarded with the Best School Award 2024 from Principal & Association Nepal (PAN). Our aim, importantly, is to make education a fun filled, enjoyable and to provide with learning and growing experience on the solid foundation of values. We want the students to have fond memories of their time spent with us, long after they have left the portals of the school.

Rajendra Prasad Giri
Asst. Head Teacher

Our Future Plans

- ✧ Hostels (Boys & Girls)
- ✧ Swimming Pool
- ✧ Botanical Garden
- ✧ Museum
- ✧ Bachelor in Engineering (B.E.)
- ✧ Engineering Consultancy
- ✧ Big School Promotion Programme.

Disciplinary System

1. Uniform:

Boys: i. Shirts, Pants, Tie, Coat & Simple black leather shoes.
ii. School T-shirt, Track suit, Sweater.

Girls: i. Shirts, Pants, Tie, Coat & Simple black leather shoes
ii. Closed necked Kurta Salwar and simple closed black shoes (Only for grade XI/XII)
iii. School T-shirt, Track suit, Sweater.

2. Daily attendance: Minimum 90% attendance is a must in one academic session. The students who secure maximum attendance will be rewarded.
3. Cell phones, Walkman and other luxurious accessories are strictly prohibited in school.
4. School code of conduct and commitment form must be signed by both parents and students in enrollment process.
5. Rules, regulations and code of conduct of school must be followed by the students.
6. The students must attend and pass the terminal test compulsorily.
7. They must participate in re-examination until they pass in all the subjects.

Other Programs

- ✧ Nursery to Ten (English & Nepali Medium)
- ✧ 9-12 Civil Engineering
- ✧ Open SEE (Grade 10)
- ✧ Special Education (for hearing Impaired)
- ✧ Engineering Lab for Material Testing
- ✧ CTEVT Short term Training
- ✧ School Ayurved and Yog Education.
- ✧ Autism classes (Separate Block)
- ✧ Complete ECED model pre-primary classes

Academic Outputs

- + Science (Physics, Chemistry, Biology) promotion programme
- + My second teacher, Teacher's co-pilot and CDC portals
- + Smart attendance system with smart ID cards
- + Awarded with National Second Prize for class 12 Result in 2076 B.S.
- + Excellent result with 4 GPA in Grade 12 (2077, Board Top)
- + Continuous success of graduates in BE & MBBS Entrance Exam
- + ICT Education Award 2024 A.D.
- + Best School Award 2024 A.D. (PAN)
- + Leading result in BLE and SEE

Admissions

Grade XI-XII

Sukuna Secondary School seeks bright, capable and motivated students who are ready to take advantage of the best education that we offer. As a highly selective school, we strive to develop the complete picture of all applicants and what they bring to our school. While the applicant's academic performance is the fact considered heavily in the admission process, application, interview and entrance test are also conducted to evaluate the applicant better.

Minimum Entrance Requirements

Science
Grade/GPA
2.4 & Above
Subjects/Programms
At least C+ in Compulsory Mathematics, Science & Compulsory English

Engineering
Grade/GPA
Pass
Subjects/Programms
Civil Engineering

Management, Law & Education
Grade/GPA
1.6 & Above
Subjects/Programms
At least D in all subjects.

Essential Documents:

- Grade Sheet Photocopy (2 Copies)
- Character certificate photocopy (2 Copies)
- Passport size photo (2 Copies)

Entrance Exam:

(Question Related to)

Science	Engineering
Mathematics, Science & English	Mathematics, Science, English, Nepali, Surveying and Estimating
Management <small>(Business Studies, Computer Science & HM)</small>	Law & Education
Mathematics, Social Studies, English, Nepali, Eco, Account	Social Studies, English, Nepali G.K.

Vision

"School of Excellence with Quality Education."

Mission

1. Enhance physical facilities to support modern educational needs, fostering an optimal learning environment.
2. Integrate advanced technology into teaching and learning processes to enrich educational experiences.
3. Empower educators and administrators through continuous professional development to ensure high-quality instructions.
4. Implement effective curriculum delivery and assessment strategies to meet educational standards and students' need.
5. Facilitate job placement and access to higher education in Science, Technology, and Management for all students.

Teaching Methodology & Evaluation System

1. Equip classrooms with interactive digital tools and create conducive physical environments to support modern teaching methods.
2. Encourage strong communication and collaboration between the school and parents to enhance students' development and well-being.
3. Implement innovative teaching methods aligned with the curriculum to improve students' learning outcomes and engagement.
4. Ensure a safe, secure, and eco-friendly school environment with focus on students' health and sanitation.
5. Facilitate job placement opportunities for students after completing their education and enable access to reputable institutions for further studies in Science, Technology, and Management.

- Class lecture, pair work, group discussion, project work, field work, interactive teaching, practical-oriented modern methods are applied.
- Use of interactive panel boards and multimedia projectors.
- Class test, unit test, internal exams are held at regular interval.
- Every student must appear in each internal examination and pass compulsorily.
- No facilities will be provided to the students who do not appear in terminal examinations.
- The grade sheet and progress report will be distributed after each internal exam in the presence of parents.

Goal

Fun & Entertainment

Welcome Program, Farewell Ceremony, Annual Function, Educational/ Botanical and Industrial Tours, Five Star Hotel Visit, Court visit, Local site visits, Dancing, Singing and Acting IDOLS etc.

Sports & Co-curricular Activities

1. Sports:

Indoor Games:

Chess, Chinese checkers, Ludo, Badminton, etc.

Outdoor Games:

Football, Volleyball, Kabaddi, Cricket etc.

2. Co-curricular, Extra Curricular Activities:

Debate, Quiz Contest, Spelling Contest, Essay Writing, Poetry Contest, Singing & Dancing, Drawing Athletics and Yoga etc.

Teacher's Training

LIBRARY

Sukuna Secondary School provides updated and resourceful library facility to assist teaching-learning process. Our library has a wide collection of books on management, science and technologies, encyclopedias, dictionaries, periodicals (journals, magazines, bulletins, etc.), multimedia and soft learning devices. The stock of audiovisual materials in addition to an access to e-library provide a wide range of self-study experience.

CAFETERIA

Keeping in view predominating role food plays for maintenance of health and hygiene which in turn is essential component for intellectual mind to keep functioning, Uniglobe SS has its in-house built cafeteria that is dedicated to offer students, faculty and visitors very healthy meals and snacks. The Cafeteria is managed full time from morning to late evening and it serves the students fresh meals and snacks during their study break. The food served to students and faculty is prepared in order with menu scheduled with change in items served over the week days. A special care is taken while serving the students, faculty and staff with food which by default is hygienic in quality and is prepared within the standard guidelines of nutrition applicable for particular food items cooked. In addition to the continental dishes served for snacks Uniglobe SS cafeteria also supplies different cuisines that can be ordered on ala carte scheme during the working hours.

Teachers Workshop

Science Programme

Today's generation is in need of ingenious educational guidance that enables them to explore their inner essence of learning capabilities and a bright vision for future. We have internalized such a fact that learner's caliber could be established with multiple academic and creative exposures.

Embarking on my academic adventure at Sukuna Secondary School has been a transformative journey; which has not only shaped my knowledge and confidence, but has also strengthened my skills and fueled my passion for my dream as an encouragement. Beyond academics, Sukuna fosters an atmosphere of innovation, leadership as well as personal growth through dynamic learning environment and unwavering support from highly proficient educators. My suggestion to SEE graduates, therefore, would be to join Sukuna Secondary School for a visionary path to a prosperous future.

With a highly effective administration and a team of experienced teachers who are at all time ready to inspire the students and help them learn, Sukuna has been successful to position itself as the pioneer school in Koshi Province. I really found it the right place for a learner who aspires to acquire knowledge literally. I am proud to be a part Sukuna. I made a right choice to study in this institution that will lead me up to my goal. I strongly suggest the new faces to be a part of this well recognized institution.

STUDENTS' VOICE

Ritika Katuwal
LAW (GPA 3.86)

Being a Passionate dreamer, I was seeking for the college which could be gateway to chase my dreams. And I found sukuna Secondary School as the most relevant college to study 'LAW'. The motivating, friendly and cooperative teachers never made me feel my decision wrong. We are growing and learning in a particular way which includes court visit, demo court room in school, and orientation Program. Sukuna taught us to fly over a high sky sparkling the rays of knowledge and wisdom within us. And also to group up like a Rose in a thorn. As a law student. I would like to suggest all the SEE-graduated students to join our Sukuna Sec. School to develop your marvelous academic career.

Elson Basnet
Science(GPA 3.82)

I follow the statement "Don't leave any chances to get wonderful opportunities" which i am enough lucky to experience from Science Faculty . Hence, I felt that I took right decision to join this institution. As a result, I was able to overcome my fear about study, as I got enlightenment with expert teachers and school environment. Throughout my time in SUKUNA, I found the entire team very willing to support their students as if their own children with much professional efficiency.

Jigyasha Sapkota
Civil Engineering (GPA3.75)

Sukuna Secondary School takes great pride in its exceptional teaching standards and supportive learning atmosphere. By employing innovative teaching methodologies and seamlessly integrating modern technology, the school elevates the learning experience for its students. The cooperative, helpful, and friendly nature of the teaching faculty cultivates a conducive environment for productive learning, significantly contributing to the students' academic success. This unwavering commitment to delivering high-quality, supportive teaching is the hallmark strength of Sukuna Secondary School, making it an excellent choice that prospective students are unlikely to regret.

Ankit Neupane
Management(GPA 3.67)

"As a student, I was hoping for the college which can provide quality education with practical knowledge and I got opportunity to join SUKUNA SEC. SCHOOL which met my expectation. I never felt my decision was wrong. I am very satisfied with my classes and teachers who always encourage us to study well and so for better extra curricular activities. I don't think that new comers will regret for choosing SUKUNASEC. SCHOOL."

Durga Rai
Hotel Management(3.54)

My decision to join Sukuna school for Hotel management was one of the best decisions I have ever made. I feel blessed to have amazing friends and proficient faculty members in this school. Beyond the conventional boundaries of a school, Sukuna equips us with well training facilities, hospitality skills, information and wisdom as well. I feel proud to be a part of this school.

Ganga Shrestha
Education (GPA 3.40)

"I am very thankful to SUKUNA SEC. SCHOOL for helping me reach my educational goal that is being topper which was dream for me. All the teachers and staff members are friendly and cooperative and they motivated me a lot in my journey. My sincere thanks to entire Sukuna family who always made me believe in myself pursuing my dream. I am highly satisfied with school environment and it's management. Therefore, Sukuna has always encouraged me to climb one step near to my goal which I will admire forever."
